Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 05 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, bright with warm sunshine. Rain spreading eastwards later.

Today:
Much of the day will be dry and warm with some sunshine. Becoming cloudy during the afternoon with rain, heavier on the west coast extending eastwards and becoming lighter, reaching east coast later this evening.

Tonight:
A cloudy, mild night across the Country. Outbreaks of rain and drizzle becoming light and patchy, and mostly confined to southern Scotland and West Coast by morning.

Monday:
Rather cloudy with some mist and drizzle lingering across parts of south and west Scotland. Dry, brighter and warm elsewhere with the best of sunshine across northeast Scotland.

Outlook for Tuesday to Thursday:
Mostly dry with plenty of warm sunshine, even very warm on Wednesday. A cloudier day to follow on Thursday with showers, possibly heavy at times.
